Today's Thought

What can I do to help those in need around me?

**Knowing
Jesus**

Day 1

- 1.** Jesus said, “May no one ever eat fruit from you again.” By the next day the fig tree was withered from the roots up.
- 2.** Jesus did this miracle to show that whatever we ask for in prayer, believing in our hearts, we will receive.
- 3.** Jesus also taught that if we hold anything against anyone, we must forgive, so our heavenly Father will forgive us.
- 4.** They had asked the question to cause Jesus to say His authority was from heaven. They would have called that blasphemy and had their excuse for killing Him. He knew they wouldn’t answer and so He didn’t have to answer their question.
- 5.** From chapter 11: 27 and 12: 1 and 12, we know Jesus told the parable about the chief priests, teachers of the law, and elders. He likened them to the tenants in the parable.
- 6.** The tenants in the parable beat and killed servants sent to collect from them. They finally killed the son, thinking that they could seize his inheritance.
- 7.** The religious leaders knew Jesus had spoken against them, but because they were afraid of the crowd, they left Jesus and went away.
- 8.** Jesus used the planting of wheat as an example of what was about to happen. Like a seed being planted and producing many more seeds, His death made it possible for many others to have eternal life.
- 9.** Jesus’ heart was troubled, but He knew this was why He came to earth.

Day 2

- 1.** The Pharisees and Herodians asked Jesus about paying taxes because they were trying to trap Him with His words so they could accuse Him.
- 2.** Yes, we should pay taxes that belong to our government and give to God what belongs to Him.
- 3.** The Sadducees did not believe in resurrection of the dead, so asking whose wife she would be in the resurrection was a foolish question.
- 4.** The greatest commandment is to love the Lord my God with my whole self.
- 5.** The second commandment is to love everyone as I love myself.
- 6.** Jesus said these two commandments were the basis of the Law and Prophets- in other words, God’s communication with man in the Bible.
- 7.** Jesus asked whose Son the Christ is?
- 8.** The Pharisees answered that the Christ was the son of David.
- 9.** Jesus means that Christ’s real Father is God.
- 10.** The Pharisees could not answer Jesus. No one dared to ask Him any more questions.

Day 3

- 1.** Jesus was speaking to the crowds and to His disciples.
- 2.** Jesus’ warning was to do what they said, not what they did.
- 3.** Jesus said the lawyers and Pharisees did everything to be seen by men. They loved the special treatment they received.
- 4.** The Pharisees liked to be called Rabbi.
- 5.** We are not to be called by special titles because we have only one Master and Father and Teacher. We are all to be on an equal footing as brothers.
- 6.** We should humble ourselves so we do not have to be humbled.
- 7.** Jesus said the temple and the altar are greater because they make whatever is on them sacred—set apart to God.

8. Jesus said the inside was full of greed and self-indulgence, hypocrisy and wickedness.
9. Jesus said they admitted they are the descendants of those who killed the prophets.
10. He said they would kill some, crucify some, flog some, and chase some from town to town.

Day 4

1. He said the temple and its buildings would be completely destroyed.
2. Jesus' first instruction was to not be deceived when someone comes claiming to be the Christ.
3. We should not be alarmed when we hear these things.
4. Jesus said whoever stands firm to the end will be saved.
5. We should not believe them. We should remember what Jesus has already told us.
6. Everyone will know at the same time just like lightening flashes across the whole sky.
7. The angels will gather all the elect—those who believe Jesus—from all over the world.
8. Only the Father knows. The angels don't know and neither does the Son.
9. We are to keep watching because we don't know when all this will happen and we must be ready all the time.
10. We are to be faithful and wise, doing what pleases God.

Day 5

1. Jesus said the ten virgins were like the kingdom of heaven. Jesus told this parable to help us understand more about the kingdom of heaven.
2. The wise virgins were prepared for the arrival of the bridegroom, even if he were delayed. The foolish ones were only prepared for a short wait.
3. The main lesson from this parable is that we should keep watching because we don't know when Jesus will return.
4. The master's response was, "Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your master's happiness!"
5. If I faithfully use what God has given me, He will reward me with more responsibilities and with His happiness.
6. This separation will take place when Jesus comes in His glory with His angels, and sits on His heavenly throne.
7. The King gave them the inheritance prepared for them before the world was created.
8. They treated the least of His brothers as they would the Lord Jesus. They fed the hungry, gave a drink to the thirsty, invited in strangers, clothed the naked, cared for the sick and visited those in prison.
9. The King told them to depart into the eternal fires prepared for the devil and his angels.
10. Because they did not do anything to help the least person, the ones on His left were sent to eternal fires.
